architecture + furniture

**J.P.**

Some people that look at these occasional tables, think out loud: 'Is this a Jean Prouve design?' That is what many designers wish to hear of course. However....the design for these tables stems from the ninties and (thus) is not his. The graphic qualities of these tables appear almost instantly when using them in ones room.

**certificate no.**

314

**side table**

JP

**materials**

laquered steel

**dimensions**

55 x 40 x 50h

**series**

1 of 2
